ADMISSIONS APPLICATION CHECKLIST

This is a checklist of all required materials necessary for a completed admissions application to the University of Pikeville-Kentucky College of Optometry (KYCO). Based on the submitted application and information, applicants will be invited for an on-site interview. All application materials must be received by the Kentucky College of Optometry by the **March 31, 2021,** deadline. Admission to the Kentucky College of Optometry is determined on a rolling basis. Early application is highly recommended.

Application Checklist

Students applying to any school or college of optometry must utilize the Optometry Centralized Application Service, known as **OptomCAS**. This service is designed to streamline your application process and can be found at: http://www.optomcas.org/.

☐ **Completed OptomCAS application and fee**

☐ **Official Transcripts** (also submitted through OptomCAS)

Submit all transcripts from undergraduate, post-baccalaureate and graduate programs attended through OptomCAS.

☐ *Tip: Request transcripts to be sent to OptomCAS early in the application process to ensure they are received prior to the application deadline.*

☐ **Letters of Evaluation** (also submitted through OptomCAS)

Although OptomCAS allows up to four letters of recommendation to be entered into the online application, KYCO requires and will only review two letters of recommendation.
