

MOTHERS ROOM

UPIKE provides rooms to support nursing parents upon returning to work, school or campus. Any nursing parent who is a UPIKE community member can use either of the convenient mother's rooms. Each room offers a clean, secure and private space for parents during their time on campus. All rooms are equipped with comfortable seating, electrical outlets and refrigerators. Below is a list of the rooms and details about location, access and accommodations for each.

Health Professions Education Building, Room 402
